- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. I am appalled by your company's audacity to ask for more money!

How dare you ask for more money for sewer services!

You have a monopoly on sewer services in my area and have doubled the price of sewer services within the last year.

Shame on you for the residents of Richland County.

I will be attending a town hall to voice my protest against the price increase.

This email is in protest to the proposed rate increase by Palmetto Utilities. When we first moved to Columbia, SC in 2006 our combined water and sewer ran around 20 something dollars. Today it already runs over a hundred without the proposed increase . That is already a ridiculously high rate for a household of 2 people. We have not had our meter replaced or anything else to justify this increase. Sincerely Terry Box
